Dear Investor:

Re: Norrep Performance 2006 Flow-Through LP - Amended T5013A Tax Form

Please find enclosed the AMENDED T5013A tax form for the Norrep Performance 2006 Flow-Through Limited Partnership.

PLEASE REPLACE Copy 2 and Copy 3 of the original T5013A tax form that you received from us just recently. All other information contained in the Final Tax Reporting Package is correct.

Due to a processing error, the incorrect unit amount was used to calculate the amounts shown on the original T5013A tax form. We have corrected the error and the enclosed amended T5013A tax form now has the correct information.

We apologize for any inconvenience caused by this error. If you have any questions about your T5013A tax form, please contact Jenny Sun by phone at (403) 537-5705 or (877) 431-1407, or by email at jenny@hesperiancapital.com.

Sincerely;
